JORDAN RUBIO

Seattle, WA | jordan.j.rubio@gmail.com · (281) 683-7190 | Portfolio | LinkedIn

Data journalist and visualization editor with 10+ years turning complex datasets into award-winning visual storytelling. Two-time Pulitzer Prize finalist. Currently leads data visualization strategy at PitchBook News.

RELEVANT EXPERIENCE

Sr. data visualizations editor | PitchBook News, Seattle, WA *(July 2021 - Present)*

- Sets data visualization strategy for the news team, overseeing content for daily stories and multiple newsletters
- Manages a two-person team, overseeing project scoping and editorial review
- Builds and maintains recurring dashboards that are frequently promoted, reaching a global audience
- Leads adoption of new data visualization workflows, tools and best practices
- Contributes original writing and data analysis for PitchBook News stories

Data journalist | Houston Chronicle, Houston, TX *(February 2016 - July 2021)*

- Analyzed and parsed a myriad of datasets underpinning investigative series on topics from COVID-19 to statewide election results
- Reported and wrote data-driven news stories on topics including income disparity and life expectancy gaps across Harris County
- Partnered with reporters and print designers to create interactives maps and web extras for breaking and investigative coverage
- Built and shipped standalone web apps, including an interactive database on clergy sexual abuse
- Designed web presentations for projects and special reports, ranging from investigative series on Hurricane Harvey to a digital children's book story of a hospital therapy dog

Digital editor | Victoria Advocate, Victoria, TX *(August 2014 - February 2016)*

- Managed digital content across a variety of platforms, including special digital presentations
- Created data visualizations and web extras for packaging with Advocate stories
- Contributed writing and data analysis for VictoriaAdvocate.com, including coverage of achievement gaps in local schools
- Led the digital team's social media efforts to promote newsroom content across social platforms
- Directed development of new apps and site improvements for VictoriaAdvocate.com
